3B Now Onboard with MedGroup!

3B Medical is pleased to announce a partnership with MedGroup that would make 3B Medical's products available to its membership under special pricing. "We are excited to partner with MedGroup to expand our reach to their membership and provide them with the aggressive pricing that they need to remain competitive with national players. Competitive bidding mandates that providers find new ways of delivering high quality care to their patients, and 3B Medical has always viewed improving the profitability equation in both sleep and oxygen as our mission", said Jose Llana, M.D., 3B Medical's Director of Sales.
